Better Hearing begins with Genesis AI

Nothing is smaller

Nothing sounds better

Signature SERIES

Pricelist - Effective 1st August, 2026

GENESIS AI

Genesis AI marks a new beginning for the hearing industry. **Completely reimagined from the inside out**, it's the only hearing care system to feature an *all-new* processor, *all-new* sound, *all-new* design, *all-new* fitting software, and *all-new* patient experience.

It's the biggest leap forward ever in Ear-Brain Technology™.

4X
speed of previous processors

6X
more transistors

Starkey Neuro Processor

80million
Personalized hearing adjustments every hour

20dB
improvement in dynamic range

Faster

environmental identification and adaption

A Processor with a mind of its own.
The processor is the brain of every hearing aid, and no processor is smaller or more powerful than our all-new Starkey Neuro Processor.

Enjoy clear, true-to-life sound in advanced technology custom fit to hide discreetly in your ear.

Introductory Price

CIC NW	₹ 60,000 Per Unit

2 Years Warranty

Note: All Genesis AI products cover 2 years worldwide warranty

Compatible with

StarLink Wireless Accessories & Chargers

Table Microphpone | ₹ 30,000 Per Unit

Make group settings easy with eight built-in microphones that stream the primary speaker's voice directly to the patient's hearing aids.

Remote Mic+ | ₹ 14,000 Per Unit

Allows patients to easily stream from a variety of audio sources. This simple to use remote microphone + offers the most capabilities available in any accessory.

TV Streamer | ₹ 14,000 Per Unit

Allows patients to easily stream audio from their TV or other electronic audio source directly to their hearing aids.

Remote Control 2.0 | ₹ 10,000 Per Unit

Easily control memory and volume, mute hearing aids and turn other special features on and off.

StarLink Premium Charger 2.0
(with on-board battery)

₹ 20,000 Per Unit

mRIC R

Operates as a portable charging station and case for standard lithium-ion rechargeable hearing aids. Comes with on-board turbo charging. Turbo charging automatically occurs when the hearing aid battery is low. The hearing aid will rapidly charge, providing approximately 3 hours of use time with only 10 minutes of charging. Includes an on-board battery which allows charging of the hearing aids to occur without a power source. Compatible with Genesis AI range of products.

StarLink Premium Custom Charger 2.0
(with on-board battery)

₹ 20,000 Per Unit

ITE R/ ITC R/ CIC R

Operates as a portable charging station and case for custom lithium-ion rechargeable hearing aids. Comes with on-board turbo charging. Turbo charging automatically occurs when the hearing aid battery is low. The hearing aid will rapidly charge, providing approximately 3 hours of use time with only 10 minutes of charging. Includes an on-board battery which allows charging of the hearing aids to occur without a power source. Compatible with Genesis AI & Signature Series range of products.

StarLink Standard Charger
(with on-board battery)

₹ 17,000 Per Unit

BTE R

The Premium Standard Charger operates as a portablecharging station and case for standard lithium-ion rechargeable hearing aids. The charger is equipped with LED lights to indicate charging status for both hearing aids and charger. Compatible with Evolv AI range of products.

Starkey

Note: 1. All wireless accessories & chargers cover 1 year warranty.
2. All prices mentioned above are inclusive of all taxes.

Signature SERIES

Nothing is smaller. Nothing sounds better.

Built off the industry's most advanced processor and powered by our industry-leading **Neuro Sound Technology,** Signature Series deliver the size, performance and personalized fit that patients can only get from you.

Our **lowest** noise floor yet

CIC R NW

The **world's smallest custom rechargeable hearing** aid is also waterproof* and has up to a 38-hour battery life.

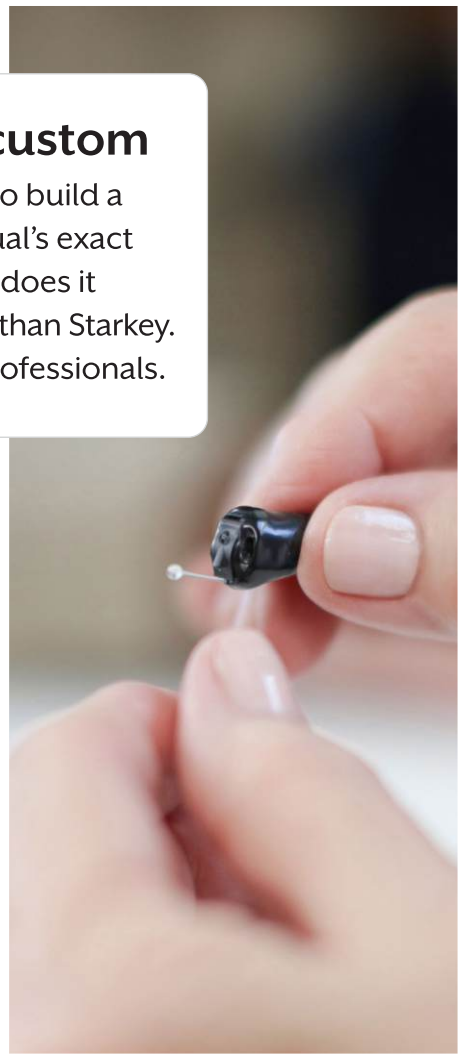

IIC NW

Nobody does invisible like Starkey and no smallest-of-small hearing aid performs better than Signature Series IIC.

There's an art to custom

It takes care and expertise to build a hearing aid to each individual's exact specifications—and no one does it better or has done it longer than Starkey. Trust your hearing to the professionals.

80 million
hearing adjustments every hour

20 dB
improvement in dynamic range

Starkey

Compatible with

*Up to 1m.

Signature SERIES

will forever change your perception of hearing aids

Virtually invisible

Rest comfortably inside your ear where people won't see them.

Transparent sound

Neuro Sound Technology delivers sound the way the brain intended—clear and true to life.

Custom fit for you

No two ears are alike, which is why each one is fit to your unique hearing needs.

*Individual result may vary. Invisibility depends on anatomy of the wearer's ear.
Note- All Signature series products cover 3 years worldwide warranty
